

Beautiful Hair Breck Hat-dos Hair-dos

er Status

Size: 47 X 67 inches. Use 40 ounces of yarn. It is done in rows, each of which can be a different color for four rows, and then repeated, or any other combination you desire. Gauge: One shell makes $1\frac{1}{4}$ inches, three rows make $2\frac{1}{4}$ inches.

Starting at bottom, make a chain measuring about 60 inches (5 ch-sts to one inch). First row: Make 4 triple crochet in 4th ch from hook, ★ skip 5 ch, single crochet in next ch (a shell made), ch 2, 4 tr in same place as last s.c. was made. Repeat from ★ across, until row measures 47 inches. Cut off remaining chain. Fasten off.

Second row: Turn, attach yarn under 1st ch 2, sc in same place, ★ ch 2, tr under same ch 2, sc under next ch 2. Repeat from ★ across, ending with 4 tr under last ch 2. Fasten off.

Third and fourth rows: Work as for second row, using different colors if desired. Work in this manner until piece measures 65 inches, making last row correspond with the beginning.

I made mine using four rows green, four rows gray and two coral. Another combination is one row white, one black, one pearl gray and one slate gray.

Needle: One Crochet Hook Size H

Gauge: 4 sc to 1 inch

Row 2: 2 sc in each of next 2 sc for **inc**, 1 sc in each of next 6 sc, 2 sc in each of next 3 sc for **inc**, 1 sc in each of next 6 sc, 2 sc in last sc: 24 sc.

Row 3: 1 sc in each of next 2 sc, 2 sc in next sc, 1 sc in each of next 8 sc, 2 sc in next sc, 1 sc in each of next 2 sc, 2 sc in next sc, 1 sc in each of next 8 sc, 2 sc in last sc: 28 sc.

Row 4: 2 sc in each of next 4 sc, 1 sc in each of next 9 sc, 2 sc in each of next 5 sc, 1 sc in each of next 9 sc, 2 sc in last sc: 38 sc.

Row 5: (1 sc in next sc, 2 sc in next sc) 3 times, 1 sc in each of next 11 sc, 2 sc in next sc, (1 sc in next sc, 2 sc in next sc) 3 times, 1 sc in each of next 11 sc, 2 sc in last sc: 46 sc. Continue to **inc** 4 sc around each curve of oval on every row 3 more times: 70 sc, for average head size; 4 more times for larger. Work even on the 70 sc until there are 28 rows from start.

Brim-Row 1: Inc 4 stitches around each curve of oval: 78 sc.

Rows 2, 4, 6: Work even.

Rows 3, 5, 7: Repeat Row 1.

Row 8: Work even: 100 sc. If added stiffness to brim is desired, work over picture or other wire.

With double yarn crochet a 40-inch chain. Tie around hat and tack in place.

TO WEAR: Shape a crease in crown. If desired, crease can be tacked into place. Roll brim up crisply with shallow "V" at front.

* Hat can be made with one skein by using single yarn for the crown and double for the brim. Hat will have the floppy more casual look preferred by some. If double yarn is used, there will be sufficient yarn left over to make one or two of Bandito bands.

If your stitch is tighter or looser than average you may wish to use a larger or smaller hook to get the same gauge.

The instructions in this folder are as accurate as anyone can make them. However, as no two people crochet alike, you may find it necessary to adapt the directions to your own individual technique.

Asterisks—*: Star symbols indicate that work following them is to be repeated. When instructions call for repeating a certain number of times, it is understood that this is *in addition* to the original. Thus, repeat 5 times more means 6 times in all.

Brackets—():: Whatever is enclosed in brackets is worked the exact number of times stated *after* the brackets.

“Work Even”: means to work in same stitch pattern without increasing or decreasing.

BASIC STITCHES FOR CROCHETING

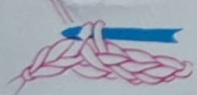

Chain Stitch (ch)

Begin with a slip knot, hold yarn end between thumb and forefinger. Bring yarn up and around, making a circle. Allow end of yarn to drop behind circle. Place hook through circle, catch end of yarn, draw it through circle.

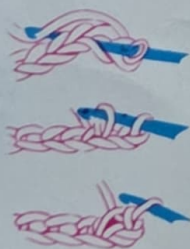

To make foundation chain—pass hook under and over yarn and draw through loop on hook. Continue to draw yarn through each new loop until desired number of chain stitches are made.

Slip Stitch (sl st)

Insert hook in stitch, draw up yarn through stitch and the loop on the hook in one motion.

Single Crochet (sc)

Insert hook from the front under the two top threads of the chain (or the crochet stitch formed in the previous row) and draw yarn through stitch to form loop.

Yarn over hook and draw through the two loops on hook.

Completes one sc. At end of row ch 1 and turn for next row of sc.

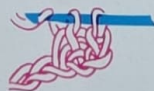

Double Crochet (dc)

Yarn over hook and insert hook in 4th ch from hook and draw yarn through to make a third loop on hook.

Yarn over hook and draw through first 2 loops.

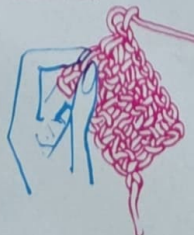

Then yarn over hook again and draw through remaining 2 loops. You have now completed 2 dc stitches as the turning ch counts as first dc on row. Repeat to end of chain, then turn.

Make first dc in second stitch in next row (turning chain counts as one stitch). At end of row, work last dc in top of turning chain of previous row. If directions call for working “between stitches” this means you put hook between the double crochets, not through the two threads at the top of the dc.

To fasten off

Cut yarn 3” or more from last stitch. Draw yarn through last loop and pull end to tighten stitch. To hide yarn end, thread it in a yarn needle and weave it into back of work.

TO MAKE FRINGE

Wind yarn twice around a 4½-inch cardboard. Cut one end. Fold 2 strands in half and draw through the first sc of short end. Slip knot in place by drawing ends through loops of the pieces and tighten. Make 5 more fringes across end. Fringe other end the same way.
